3 CET1 Ratio and Leverage Ratio are disclosed in accordance with OSFI's Capital Adequacy Requirements Guideline; Liquidity Coverage Ratio is disclosed in accordance with OSFI's Liquidity Adequacy Requirements Guideline

4 1-year TSR is the return for the one year from July 31, 2025 to July 31, 2026; The 3-year TSR is the annualized return for the three years from July 31, 2023 to July 31, 2026; The 5-year TSR is the annualized return for the five years from July 31, 2021 to July 31, 2026. TSR represents the average annual total return earned on an investment in BMO common shares made at the beginning of the respective period. The return includes the change in share price and assumes dividends received were reinvested in additional common shares

5 Adjusted measures are non-GAAP measures. Certain information contained in BMO's Management's Discussion and Analysis (MD&A) dated August 25, 2026 for the period ended July 31, 2026 ("Q3 2026 MD&A"), and BMO's MD&A dated February 25, 2026 for the period ended January 31, 2026 ("Q1 2026 MD&A") is incorporated by reference into this document. Quantitative reconciliations of non-GAAP and other financial measures to the most directly comparable financial measures in BMO's financial statements for the periods ending July 31, 2026 and January 31, 2026, the composition of our non-GAAP and other financial measures, an explanation of how non-GAAP and other financial measures provide useful information to investors and any additional purposes for which management uses such measures, can be found in the Non-GAAP and Other Financial Measures sections of the Q3 2026 MD&A, and Q1 2026 MD&A, and Table 15 of the Q3 2026 MD&A, which are available on www.sedarplus.ca

6 Based on the Q4'26 declared dividend of \$1.71 annualized

7 Issuer rating is applicable to any long-term senior unsecured debt issued that is excluded from the Bank Recapitalization (Bail-in) Regime.

8 Subject to conversion under the Bail-In Regime

Q3 2026 Fact Sheet
